UKRAINIAN
SPIRIT

KOZAK VODKA

Taste: A traditional vodka vibes with a smooth touch of bread and a sweet finish that lingers just right.

Aroma: Strong and bold, with a hint of fresh herbs in the background.

Pairing: Best served chilled and perfect alongside hearty snacks like juicy sausages, smoky meats, fish, mushrooms, or even a fresh salad.

And it's a gold medal winner vodka — so you know it's top-notch!

HUNGER
FOR FREEDOM

UKRAINIAN
CHARACTER

A free man, a free warrior, a fighter for freedom and country. In Ukraine such kind person is called KOZAK {cossack}.

They bring respect and build patriotism. Freedom-loving and craving for justice.

They are in every true and honest person. Those who are not afraid of being themselves and acting, going for victory and achieving their goals.

Invincible spirit and courage.

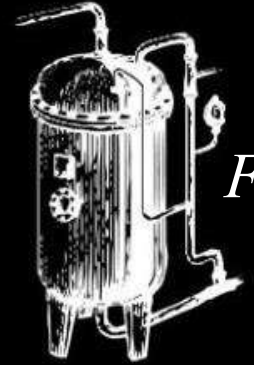

Hunger for freedom.

UKRAINIAN CHARACTER.

Taste description:

“Immediate earthy pungency quickly gives way to cool refinement. The understated flavor profile of this vodka is dominated by melon, cucumber, and aloe. Stylish and without excessive sweetness.

This is an eminently refreshing grain vodka.“

USP

- #1 fastest growing brand in Ukraine;
- #1 vodka brand in Ukrainian on-trade;
- #17 vodka in terms of volume in the world;
- Sold in 20 countries worldwide;
- Outstanding design from charismatic bottle with 4 equal sides as balanced man's character to historically precise label elements highlighting a rich heritage;
- A premium vodka made from "Lux" spirit, crafted using traditional Kozak recipes, infused with bread spirit;
- Brand embodies timeless values of freedom, courage, and a curiosity for life;

This is simply the most delicious vodka,
globally recognized with numerous awards
from bronze to platinum!

The background features a close-up of several avocados with their characteristic bumpy, green skin. The image is framed by a dark, almost black, diamond-shaped area that is divided into four quadrants by white diagonal lines. The text is centered within this diamond shape.
